*The Titus Summit meant so much to me. It was a blessing being in worship, prayer and learning about what it means to live a life of holiness with like-minded women in Christ. Once back to the daily tasks and struggles of life, my thoughts and prayers turn to my "sisters" and how that brings a smile and a sense of encouragement that we are One in HIM no matter how far apart we are.*  
-Valerie Thomas, Conference Attendee 2008
