Seeking God Together for revival!

February 2009

This Wednesday, February 25th, is the beginning of Lent. There are many across the nation praying for revival during this time. Titus learned of a family that set aside one day as a “family fast day.” We loved the idea! In a family prayer and fast day the entire family (immediate or extended) participates in praying and fasting for their own family. Titus Women’s Ministry would like to invite you and your families to make the **first day of Lent, Ash Wednesday, February 25th** a family prayer and fasting day. All of the members of your family (that wish) may participate in some form of fasting or self-denial and will be in prayer throughout the day specifically for your family members.

One does not have to look far or listen closely to see that our nation is in trouble. Let us join together in asking God for revival. May He begin as we bring Him our families to Him – seeking God for His full purposes to be accomplished in each member. Let us believe Him for revival, healing, unity and a blood covering from the evil one who wishes to destroy our families. You might even enjoy having your family members give you specific requests for prayer. We invite you to join us on this very special opportunity of prayer!
